WORLD LIFE HIGH SCHOOL

SUMMER ENRICHMENT AND STUDY TOUR PROGRAM

This program welcomes students from around the world, who are preparing for secondary or post secondary studies (age: 12 years to 40 years old), to enjoy a fun and positive learning experience.

Weekly focused teaching will integrate literacy skills and foster the development of verbal and written communication skills.

Activities will help improve language skills through creative writing, visual arts, photography, theater, sports and cultural tours of Toronto. Each week, a distinct area of interest will be explored, whilst incorporating a variety of exciting and interactive activities, classes, and workshops.

Additional or optional trips will include visits to the CN Tower, Toronto Islands, Toronto Aquarium, Royal Ontario Museum, The Beaches, Niagara Falls, Montreal, Ottawa, Kingston and much more!
